Publisher: T'ien-hsia T'u-shu Kung-ssu, Shanghai, 1949

Sponsor or
Issuing Authority: None indicated

No Pages: 123

Language: Chinese

Area of Coverage: China

Subjects Covered: Labor unions, wages, disputes, collective agreements.

Scholarship Evaluation: Popular consumption

Review: Discusses labor problems, wages, disputes, and working conditions by the use of the "short story" literary form. Narrative consists chiefly of dialogue between an official of a municipal general labor union and an official from a local textile factory union regarding grievances over wages, and the events from the time the grievances are taken up with the general labor union to the signing of a collective agreement between the union and management. Emphasizes the human aspect of the labor movement.
